

2021 ENTRY FORM

Awarding Ideas That Work®

As marketers, we drive change for our businesses and the world in which we live. Since 1968, Effie has championed the value of effective marketing as the fuel for meaningful business & organizational growth.

When preparing your entry, keep in mind that Effie is open to all forms of effectiveness - the determining criteria for measuring effectiveness considers the level of challenge of your objectives and the significance of the results achieved against those objectives. It is the entrant's role to make a compelling case to the jury about the effectiveness of their case. Tell the jury how you inspired change, built your brand and grew your business.

All responses are input individually in the [Entry Portal](#). Teams may use this document to facilitate collaboration among team members & partner companies.

TOP TIPS FROM THE JURY

BE CLEAR, CONCISE, COMPELLING & HONEST.

Judges evaluate 6-10 cases in a session – shorter, well-written entries stand out.

CONTEXT IS KEY

Judges typically do not work in your category & may not know your brand. Provide judges with the context to understand the degree of difficulty for your challenge & the significance of your results. Limit industry jargon & define all terms.

SPEAK TO THE ENTRY CATEGORY

Judges evaluate work on effectiveness in the context of the entered category. Be sure your stated goal & results align.

TELL A STORY

Write your entry with your audience, Effie Judges, in mind. Judges are looking for an engaging, well-written story that links each section of the form together. Judges will be evaluating your work with a critical eye – address questions you suspect they will have.

REVIEW

Ask colleagues who do not work on the brand to review the entry. Ask what questions they have – what was unclear? Where did the case fall flat? Ask a strong proofreader to review the entry.

REQUIREMENTS

ELIGIBILITY

Data presented must be isolated to the Serbia & work must have run at some point between 1/1/19-12/31/20. Do not include results after 12/31/20.

AGENCY BLIND

Do not include agency names in the written case, creative examples, or sources.

CHARTS & GRAPHS

Entrants are encouraged to display data via charts & graphs within the limits allotted in each question. To insert charts & graphs in your responses in the [Entry Portal](#), save each chart/graph individually as a .jpg image (700-900 pixels wide or tall recommended).

PICTURES / SCREENGRABS

Do not include any images, including creative work, screen grabs, or social media engagement, in your written responses. **Exception:** Scoring Section 3 provides an upload field for one supplemental image to depict how you brought your idea to life.

EXTERNAL WEBSITES

Do not direct judges to visit external websites – the judges can only review the content provided in your written entry and creative examples.

SOURCES

All data included in the entry form must reference a specific, verifiable source.

CREATIVE REQUIREMENTS

Creative work is scored as part of Scoring Section 3: Bringing the Idea to Life, which includes Question 3 and the Investment Overview. Because judges are required to read the written case before reviewing the creative work, the reel should focus on creative examples or other materials created to bring the idea to life internally or externally. The reel is not meant to be a video version of the written case.

CREATIVE REEL

At minimum, 70% of the reel must be examples of the integral creative work that your audience experienced, or other materials created to bring the idea to life internally or externally. At least one complete example of each integral touchpoint must be shown on the reel. No results or competitor logos/creative work may be included.

CREATIVE IMAGES

Creative images are an opportunity to highlight your creative work via still images.

SECTION 1: CHALLENGE, CONTEXT & OBJECTIVES

23.3% OF TOTAL SCORE

This section provides the judges with the background to your challenge & objectives. In this section, judges evaluate whether they have the necessary context about your industry category, competitors, and brand to understand your entry and the degree of challenge represented by your objectives. Judges will assess the case for both suitability and ambition within the framework of the challenge. Weight will be given to the degree of difficulty and whether the entrant has provided the context to evaluate the case's effectiveness in this section. Be thorough and provide context for judges unfamiliar with your industry to understand the scope of your effort.

1A. Before your effort began, what was the state of the brand's business and the marketplace/category in which it competes? What was the strategic challenge that stemmed from this business situation?
 Provide context on the degree of difficulty of this challenge and detail the business need the effort was meant to address.
 Explain characteristics or trends in the market (e.g. government regulations, size of market, societal trends, weather/environmental situations, etc.) Provide context about your brand and business situation, including main competitor spend, position in market, category benchmarks, etc. What were the barriers you were tasked to overcome?
Reminder: Judges may not be familiar with your brand's industry. This context is critical for judges to understand your degree of difficulty.

1B. Define the target audience(s) you were trying to reach. Why is this audience important to your brand and the growth of your brand's business?

(Maximum: 200 words; 3 charts/graphs)

1C. What were your measurable objectives? What were the Key Performance Indicators (KPIs) against your objectives? Provide specific numbers/percentages for each objective and prior year benchmarks wherever possible.

Effie is open to all types of objectives: Business, Behavioral, Perceptual/Attitudinal. It is the entrant's responsibility to explain why their particular objectives are important to the business/organization and challenging to achieve. Judges will expect to see context, including prior year benchmarks where possible, around the goal set – why are these goals challenging? If relevant to your case, explain how these goals relate back to the overall brand or organization's strategy and objectives.

RESPONSE FORMAT

The [Entry Portal](#) matches the response format outlined below. You will be provided space to set-up your objectives and share any overarching explanation to your objectives & KPIs (maximum of 100 words; 3 charts/graphs). COMPANY CREDITS

This information is not seen by judges. Effie will publicly celebrate all credited companies & individuals if your case becomes a finalist or winner.

Credits cannot be removed or replaced after the entry is submitted – it is critical that senior leadership reviews credits for accuracy. As confirmation, senior leadership is required to sign off on the Authorization & Verification Form, confirming credits are accurate & compete. Additions will only be accepted if space is available and require a 500 EUR fee after time of entry. No additions/edits will be accepted after April 14, 2021.

All entries submitted from the same agency office location should list the "Agency Name" precisely the same way to ensure your office is recognized as one. Communicate with your corporate/executive team, PR department, and other teams entering into this year's competition from your agency office to ensure you are entering each agency name accurately and consistently.

LEAD AGENCY(S)

Entrants have the option to credit a **maximum of two lead agencies** (one required). If you credit a second lead agency, both agencies will be given equal recognition by Effie Worldwide in both publicity materials and **the Effie Index**. In order to be considered a second lead agency, you must certify that the work done by each agency was of equal weighting and each agency deserves equal recognition.

Lead agencies are considered final at time of entry and cannot be changed after time of entry. You may not add or remove a second lead agency after time of entry.
