Awarding Ideas That Work®

As marketers, we drive change for our businesses and the world in which we live. Since 1968, Effie has championed the value of effective marketing as the fuel for meaningful business & organizational growth.

When preparing your entry, keep in mind that Effie is open to all forms of effectiveness - the determining criteria for measuring effectiveness considers the level of challenge of your objectives and the significance of the results achieved against those objectives. It is the entrant's role to make a compelling case to the jury about the effectiveness of their case. Tell the jury how you inspired change, built your brand and grew your business.

All responses are entered individually in the [Entry Portal](#). Teams may use this document to facilitate collaboration among team members & partner companies.

## TOP TIPS FROM THE JURY

### BE CLEAR, CONCISE, COMPELLING & HONEST.

Judges evaluate 6-10 cases in a session – shorter, well-written entries stand out.

### CONTEXT IS KEY

Judges typically do not work in your category & may not know your brand. Provide judges with the context to understand the degree of difficulty for your challenge & the significance of your results. Limit industry jargon & define all terms.

### SPEAK TO THE ENTRY CATEGORY

Judges evaluate work on effectiveness in the context of the entered category. Be sure your stated goal & results align.

### TELL A STORY

Write your entry with your audience, Effie Judges, in mind. Judges are looking for an engaging, well-written story that links each section of the form together. Judges will be evaluating your work with a critical eye – address questions you suspect they will have.

### REVIEW

Ask colleagues who do not work on the brand to review the entry. Ask what questions they have – what was unclear? Where did the case fall flat? Ask a strong proofreader to review the entry.

## REQUIREMENTS

### ELIGIBILITY

Data presented must be isolated to the Serbia & work must have run at some point between 1/1/21-12/31/21. Do not include results after 12/31/21. Review all Eligibility rules in the [Entry Kit](#).

### AGENCY BLIND

Do not include agency names in the written case, creative examples, or sources.

### CHARTS & GRAPHS

Entrants are encouraged to display data via charts & graphs within the limits allotted in each question. To insert charts & graphs in your responses in the [Entry Portal](#), save each chart/graph individually as a .jpg image (700-900 pixels wide or tall recommended).

### PICTURES / SCREENGRABS

Do not include any images, including creative work, screen grabs, or social media engagement, in your written responses. Exception: Scoring Section 3 provides an upload field for one supplemental image to depict how you brought your idea to life.

### EXTERNAL WEBSITES

Do not direct judges to visit external websites – the judges can only review the content provided in your written entry and creative examples.

### SOURCES

All data included in the entry form must reference a specific, verifiable source.

# CREATIVE REQUIREMENTS

Creative work is scored as part of Scoring Section 3: Bringing the Idea to Life, which includes Question 3 and the Investment Overview. Because judges are required to read the written case before reviewing the creative work, the reel should focus on creative examples or other materials created to bring the idea to life internally or externally. The reel is not meant to be a video version of the written case. Review detailed guidance & specs in the [Entry Kit](#).

## CREATIVE REEL

At minimum, 70% of the reel must be examples of the integral creative work that your audience experienced, or other materials created to bring the idea to life internally or externally. At least one complete example of each integral touchpoint must be shown on the reel. No results or competitor logos/creative work may be included.

## CREATIVE IMAGES

Creative images are an opportunity to highlight your creative work via still images.

All questions are required, and responses will be seen by judges. Responses must be uploaded to the [Entry Portal](#).

In addition to the materials reviewed by judges, entrants are required to provide additional information in the [Entry Portal](#) before they can submit. These items include credits, publicity materials, permissions, and background data for research/database purposes. These materials help Effie fulfill our non-profit educational mission and promote our finalists/winners. Thank you for your support.

Please ensure you give yourself plenty of time to fulfill these requirements in advance of your intended Entry Deadline. These materials are outlined at the end of this document for easy reference.

## SECTION 1: CHALLENGE, CONTEXT & OBJECTIVES

### 23.3% OF TOTAL SCORE

This section provides the judges with the background to your challenge & objectives. In this section, judges evaluate whether they have the necessary context about your industry category, competitors, and brand to understand your entry and the degree of challenge represented by your objectives. Judges will assess the case for both suitability and ambition within the framework of the challenge. Weight will be given to the degree of difficulty and whether the entrant has provided the context to evaluate the case's effectiveness in this section. Be thorough and provide context for judges unfamiliar with your industry to understand the scope of your effort.

1A. Before your effort began, what was the state of the brand's business and the marketplace/category in which it competes? What was the strategic challenge that stemmed from this business situation?

Provide context on the degree of difficulty of this challenge and detail the business need the effort was meant to address.

Explain characteristics or trends in the market (e.g. government regulations, size of market, societal trends, weather/environmental situations, etc.) Provide context about your brand and business situation, including main competitor spend, position in market, category benchmarks, etc. What were the barriers you were tasked to overcome? Describe the market context for the performance marketing activities.

**Reminder:** Judges may not be familiar with your brand's industry. This context is critical for judges to understand your degree of difficulty.

*(Maximum: 275 words; 3 charts/graphs)*

Provide answer.

1B. Define the target audience(s) you were trying to reach. Why is this audience important to your brand and the growth of your brand's business?

Describe your audience(s) using demographics, culture, media behaviors, etc. Explain if your target was a current audience, a new audience, or both. What perceptions or behaviors are you trying to affect or change? What information influenced your strategic, creative and performance marketing choices? Note: If the target group changed during the campaign, describe this in Section 3 (Bringing Idea to Life).

(Maximum: 200 words; 3 charts/graphs)

Provide answer.

1C. What were your measurable objectives? What were the Key Performance Indicators (KPIs) against your objectives? Provide specific numbers/percentages for each objective and prior year benchmarks wherever possible.

You may provide both Pre-Conversion objectives and Conversion metrics. You must provide at least one conversion objective. Please see the [Objectives Guide](#) for examples of Pre-Conversion and Conversion metrics along the customer journey.

Effie is open to all types of objectives: Business, Behavioral, Perceptual/Attitudinal. It is the entrant's responsibility to explain why their particular objectives are important to the business/organization and challenging to achieve. Judges will expect to see context, including prior year, competitive and category benchmarks where possible, around the goal set – why are these goals challenging? Present the performance marketing goals and explain how these goals relate back to the overall brand or organization's strategy and objectives.

## RESPONSE FORMAT

The [Entry Portal](#) matches the response format outlined below. You will be provided space to set-up your objectives and share any overarching explanation to your objectives & KPIs (maximum of 100 words; 3 charts/graphs). Then, you will list out each objective individually and select the type of objective. For each objective, you may provide context, including category background and/or prior year benchmarks, for why the objectives were important for the brand and growth of the business.

- Only one objective is required. Your first objective should be your primary campaign objective, then you may list up to three supporting objectives. Entrants are not expected to use all fields.

- Any marketing channel insights and strategy that was the foundation of your marketing spend channel mix.
- Any data analysis or consumer behavior observation that provided the breakthrough in shaping your strategy.

**Note:** Keep in mind, an insight is not merely a fact or observation based on research; it is the strategic insight, unique to your brand and audience, that was leveraged to help meet your objectives. Your insights may be an audience insight, data insight, channel insight, marketplace insight, etc.

(Maximum: 400 words; 3 charts/graphs)

## 90 WORD PUBLIC CASE SUMMARY

Provide a snapshot of the effectiveness of your case. The summary should be written as though it will be judged. Using at least three complete sentences, summarize the case and its goal. Indicate objectives and how the evidence of results directly relates to those objectives (concrete numbers or percentages vs. general terms like "record sales" or "big success"). Think of the case summary as a long tweet, mini-case, or an elevator speech.

The case summary will be published in the **Effie Winners Journal** and **Case Database**. It may also be used for promotional purposes and should not contain any confidential information.

*(Maximum: 90 words)*

Provide answer.

## STATEMENT OF EFFECTIVENESS

Please provide a short statement on the effectiveness of your case.

The intention of this statement is to provide a better understanding of why your work was worthy of either finalist status or an award. It is an opportunity to showcase the success of your effort. You may choose to touch on your most important result, why the effort was effective or significant to the brand, the most important learning taken away from this case, or an interesting/fun fact about the work.

If your case is a winner, it may be shown on screen at the awards gala or in the promotion of your case if it is a finalist or winner.

Examples:

- Moved familiarity from 24% to 62% with the core gaming audience
- Earned over 600 million media impressions in just 8 weeks
- Brought new users into a declining category and increased social interactions.

Provide answer.

# COMPANY CREDITS

This information is not seen by judges. Effie will publicly celebrate all credited companies & individuals if your case becomes a finalist or winner.

**Credits cannot be removed or replaced after the entry is submitted** – it is critical that senior leadership reviews credits for accuracy. As confirmation, senior leadership is required to sign off on the Authorization & Verification Form, confirming credits are accurate & compete. Additions will only be accepted if space is available and require a 500 EUR + VAT fee after time of entry. No additions/edits will be accepted after April 14, 2022. See the [entry kit for full credit information](#).

All entries submitted from the same agency office location should list the "Agency Name" precisely the same way to ensure your office is recognized as one. Communicate with your corporate/executive team, PR department, and other teams entering into this year's competition from your agency office to ensure you are entering each agency name accurately and consistently.

# LEAD AGENCY(S)

Entrants have the option to credit a **maximum of two lead agencies** (one required). If you credit a second lead agency, both agencies will be given equal recognition by Effie Worldwide in both publicity materials and the **Effie Index**. In order to be considered a second lead agency, you must certify that the work done by each agency was of equal weighting and each agency deserves equal recognition.

Lead agencies are considered final at time of entry and cannot be changed after time of entry. You may not add or remove a second lead agency after time of entry.
